EXPORT PERMIT APPLICATION

PLEASE READ CAREFULLY

1. Fill-in all related questions on the application form. To avoid delay in processing, we recommend applying with all required documents. Please write clearly.
2. The commodity for export must meet the requirements of the importing country. Please visit their site, read carefully and comply with the requirements of the importing country.
3. Depending on the commodity for export, it may take some time to issue certificate. For all commodities requiring isolation/treatment procedures, this application must be received by UQB at least 5 working days before isolation commences or 5 days before the date of scheduled departure.
